REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION TO THE BOARD OF DIRECTORS OF WARBA INSURANCE COMPANY K.S.C.P.

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Warba Insurance Company K.S.C.P. (the "Parent Company") and its subsidiary (collectively "the Group") as at 30 June 2021, and the related interim condensed consolidated statement of income and interim condensed consolidated statement of comprehensive income for the three-month and six-month periods then ended, and the related interim condensed consolidated statement of changes in equity and interim condensed consolidated statement of cash flows for the six-month period then ended. The management of the Parent Company is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with International Accounting Standard 34: Interim Financial Reporting ("IAS 34"). Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with IAS 34.

Report on Other Legal and Regulatory Requirements

Furthermore, based on our review, the interim condensed consolidated financial information is in agreement with the books of account of the Parent Company. We further report that, to the best of our knowledge and belief, we have not become aware of any violations of the Companies Law No. 1 of 2016, as amended, and its executive regulations, as amended, nor of the Parent Company's Memorandum of Incorporation and Articles of Association, as amended, during the six months period ended 30 June 2021 that might have had a material effect on the business of the Parent Company or on its financial position.

We further report that, during the course of our review, to the best of our knowledge and belief, we have not become aware of any violations of the provisions of Law No 7 of 2010 concerning the Capital Markets Authority and its related regulations during the six months period ended 30 June 2021 that might have had a material effect on the business of the Parent Company or on its financial position.

NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION (UNAUDITED)

As at and for period ended 30 June 2021

1 INCORPORATION AND OBJECTIVES OF THE PARENT COMPANY

Warba Insurance Company K.S.C.P. (the “Parent Company”) was incorporated as a Public Kuwaiti Shareholding Company in State of Kuwait in accordance with the Amiri Decree of October 24, 1976.

The objectives of the Parent Company are to underwrite life and non- life insurance risks such as fire, general accidents, marine and aviation and others; lend funds which resulted from issuance of insurance policies and to invest in permitted securities.

The address of the Parent Company’s registered office is at P.O. Box 24282 Safat, 13103 - State of Kuwait.

The interim condensed consolidated financial information of the Group for the six months’ period ended 30 June 2021 were authorized for issuance by the Board of Directors on 5 August 2021.

The consolidated financial statements of the Group for the year ended 31 December 2020 were approved by the shareholders of the Parent Company at the Annual General Assembly Meeting held on 11 April 2021 (Note 12).

The New Insurance Law issued on 1 September 2019 by Decree Law No. 125 of 2019 (the “Insurance Regulatory Law”), cancelled the Insurance Companies Law No. 24 of 1961. The Executive Regulations of the new amended law issued on 11 March 2021 and was published in the official Gazette on 21 March 2021. As per article two of the executive regulations, the companies have one year from the date of publishing the executive regulations to comply with the new amended law.

2 BASIS OF PREPARATION AND CHANGES TO THE GROUP’S ACCOUNTING POLICIES

2.1 BASIS OF PREPARATION

The interim condensed consolidated financial information of the Group has been prepared in accordance with International Accounting Standard (IAS 34), Interim Financial Reporting.

The interim condensed consolidated financial information is presented in Kuwaiti Dinars (KD) which is the functional and reporting currency of the Parent Company.

The interim condensed consolidated financial information does not contain all information and disclosures required for full consolidated financial statements prepared in accordance with IFRS and should be read in conjunction with the Group’s annual consolidated financial statements for the year ended 31 December 2020. In the opinion of management, all adjustments consisting of normal recurring accruals considered necessary for a fair presentation have been included. Operating results for the six months’ period ended 30 June 2021 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2021.

2.2 NEW STANDARDS, INTERPRETATIONS AND AMENDMENTS ADOPTED BY THE GROUP

The accounting policies adopted in the preparation of the interim condensed consolidated financial information are consistent with those followed in the preparation of the Group’s annual consolidated financial statements for the year ended 31 December 2020, except for the adoption of new standards effective as of 1 January 2021. The Group has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

Several amendments and interpretations apply for the first time in 2021, but do not have an impact on the interim condensed consolidated financial information of the Group.

NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION (UNAUDITED)

As at and for period ended 30 June 2021

2 BASIS OF PREPARATION AND CHANGES TO THE GROUP'S ACCOUNTING POLICIES (continued)

2.2 NEW STANDARDS, INTERPRETATIONS AND AMENDMENTS ADOPTED BY THE GROUP (continued)

Amendments to IFRS 9, IAS 39, IFRS 7, IFRS 4 and IFRS 16: Interest Rate Benchmark Reform – Phase 2

The amendments provide temporary reliefs which address the financial reporting effects when an interbank offered rate (IBOR) is replaced with an alternative nearly risk-free rate (RFR).

The amendments include the following practical expedients:

- ▶ A practical expedient to require contractual changes, or changes to cash flows that are directly required by the reform, to be treated as changes to a floating interest rate, equivalent to a movement in a market rate of interest.
- ▶ Permit changes required by IBOR reform to be made to hedge designations and hedge documentation without the hedging relationship being discontinued
- ▶ Provide temporary relief to entities from having to meet the separately identifiable requirement when an RFR instrument is designated as a hedge of risk component.

These amendments had no impact on the interim condensed consolidated financial information of the Group. The Group intends to use the practical expedients in future periods if they become applicable.

2.3 STANDARDS ISSUED BUT NOT YET EFFECTIVE

IFRS 17 Insurance Contracts

In May 2017, the IASB issued IFRS 17 *Insurance Contracts* (IFRS 17), a comprehensive new accounting standard for insurance contracts covering recognition and measurement, presentation and disclosure. Once effective, IFRS 17 will replace IFRS 4 *Insurance Contracts* (IFRS 4) that was issued in 2005. IFRS 17 applies to all types of insurance contracts (i.e., life, non-life, direct insurance and re-insurance), regardless of the type of entities that issue them, as well as to certain guarantees and financial instruments with discretionary participation features. A few scope exceptions will apply. The overall objective of IFRS 17 is to provide an accounting model for insurance contracts that is more useful and consistent for insurers. In contrast to the requirements in IFRS 4, which are largely based on grandfathering previous local accounting policies, IFRS 17 provides a comprehensive model for insurance contracts, covering all relevant accounting aspects.

The core of IFRS 17 is the general model, supplemented by:

- ▶ A specific adaptation for contracts with direct participation features (the variable fee approach).
- ▶ A simplified approach (the premium allocation approach) mainly for short-duration contracts.

IFRS 17 is effective for reporting periods beginning on or after 1 January 2023, with comparative figures required. Early application is permitted, provided the entity also applies IFRS 9 on or before the date it first applies IFRS 17. The Group will apply these amendments when they become effective.

Financial instruments comprise of financial assets and financial liabilities.

Financial assets consist of financial assets available for sale, financial assets at fair value through profit or loss, insurance and reinsurance receivables, term deposits and bank balances. Financial liabilities consist of insurance and reinsurance liabilities and other liabilities.

The Group uses the following hierarchy for determining and disclosing the fair values of financial instruments by valuation technique:

Level 1: Quoted (unadjusted) prices in an active market for identical assets and liabilities;

Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly;

Level 3: Other techniques which use inputs which have a significant effect on the recorded fair value are not based on observable market data.

The following table shows an analysis of financial instruments recorded at fair value by level of the fair value hierarchy:

17 IMPACT OF COVID-19

The existence of novel corona virus was confirmed in early 2020 and has spread globally, causing disruptions to businesses and economic activity. In light of the rapid spread of COVID-19 across the globe, various economies and sectors have faced significant disruptions and uncertainty as a result of measures taken by governments to contain or delay the spread of the virus. As of to date, the actual scope of the impact is very difficult to measure.

The COVID-19 outbreak led to a increase in the credit risk of companies within the economy as a result of operational disruption.

Based on management's, the Group has not identified a material impact to the recoverability of receivables for the period ended 30 June 2021.

Fair value measurement of financial instruments

COVID-19 outbreak led to significant market turmoil and price volatility on the global financial markets.

The Group is closely monitoring whether the fair values of the financial assets and liabilities represent the price that would be achieved for transactions between market participants in the current scenario.

Based on management's, the Group has not identified a material impact to the fair values of financial assets and liabilities for the period ended 30 June 2021 except for what is disclosed in the interim condensed consolidated financial information under financial assets available for sale and financial assets at a fair value through profit or loss.

Outstanding claims

The Group expected that there is no material impact on its risk position and provision balances for outstanding claims for the period ended 30 June 2021. It will continue monitoring its claims experience and the developments around the pandemic and revisit the assumptions and methodologies in future reporting periods.
